When choosing a school it's important to know it's history !

For 30 years **Medical Careers Institute** has graduated thousands of students that have become certified or registered technicians **without previous medical experience.**

MCI has firmly established itself as a vital member of the medical community.

The programs offered at MCI are taught 1 day per week or 2 evenings per week. Saturday classes are also available.

Medical
Careers
Institute is
located in
Chicago at 116
S. Michigan
Avenue across
from the Art
Institute and
Millennium
Park.
