RE: Instructor Qualification Record  
for Tyronne Johnson  
(second review)

Dear Mr. Zane:

Thank you for hand delivering the additional Occupational Training/Work Experience Verification form for Tyronne Johnson. As we occasionally do, I called the telephone number for Diagnostic Freelance Consultants listed on the form (312/804-0423) to ask for Ms. Reed, who had signed the work verification form. The woman who answered the phone said there was no Ms. Reed at that phone number (312/804-0423). I asked if the number was for Diagnostic Freelance Consultants and she responded "No, never heard of them." I then proceeded to ask: "Is this the Johnson residence?" The woman responded "yes."

Furthermore, I called Directory Assistance to get a telephone number for Diagnostic Freelance Consultants in Chicago. There was no listing for that business. A further check with Name and Address Service revealed the telephone number listed on the work verification form was listed to Annie Johnson and Theopolis Johnson at 1701 North Nashville in Chicago. Tyronne Johnson's residential address is the same as their address. During our brief meeting on Monday, May 2, you indicated that Ms. Reed owned the Diagnostic Freelance Consultants business and equipment. The facts known to me on this date indicate that Ms. Reed of Diagnostic Freelance Consultants at 312/804-0423 is not verifiable information. The telephone number is listed for the same address as Tyronne Johnson even though he does have a different telephone number listed on his professional resume.

The applicant did not list the work experience at Diagnostic Freelance Consultants on the professional resume submitted with the IQR on April 14, 1994.

I regret to inform you that I still cannot approve Mr. Johnson because the information and work history cannot be verified. Mr. Johnson has not produced verifiable related work experience to warrant approval at this time. Let me point out that you, as director of the school, have certified that you reviewed the application and the verification materials. Please act judiciously on this matter. Keep in mind that Mr. Johnson is not authorized to instruct any classes at Medical Careers Institute.

Sincerely,

Margaret E. Scribner
